

HOW TO REACH IIT BOMBAY

The IIT Bombay campus is located in Powai, around 10 km from the Mumbai Domestic Airport, around 12 km from Andheri Railway Station and about 2.6 km from the Kanjurmarg railway station. The Campus is well connected by road to each of these three major arrival points. As such, you can readily hire a taxi or an auto-rickshaw from any of these to reach the Campus.

To reach IIT Bombay:

Public Transport

Mumbai has one of the most efficient and reliable public transport networks. One can travel by Auto Rickshaws / Taxis to reach IIT from the nearest stations. For longer distance, you can use either the BEST Bus Network or the Mumbai Local Train System.

- **Suburban Railway Transport:**

Those coming by Central Railways can get down at Thane or Lokmanya Tilak Terminus. From Thane take suburban train (popularly known as “Local Train”) and get down at Kanjurmarg which is the nearest local train station from IITB

There is no convenient bus route from Lokmanya Tilak Terminus. An auto rickshaw is the best option. However, it would be more economical to take an auto rickshaw from Lokmanya Tilak Terminus to Kurla and then take local train from Kurla to Kanjur Marg and then take an auto rickshaw to IITB Campus

If you are coming by the Western Railways, get down at Borivali, Andheri, Bandra or Dadar. You can take BEST buses from Borivali, Andheri or Bandra to IIT-B Campus

Borivali Station(E)	478, 489, 524
Agarkar Chawk, Andheri(E)	185, 392, 396, 403, 496, 545
Bandra (E)	422, 424

From Dadar take suburban train on Central Suburban Railways and get down at Kanjurmarg which is the nearest local train station from IITB. Please find attached a map of the Mumbai local train system at the end of this document.
